[www.radoneurope.org](http://www.radoneurope.org)

The European Radon Association is a non-profit making International Organisation registered under Belgian law.

[www.radoneurope.org](http://www.radoneurope.org)

## ERA PRIMARY OBJECTIVES ARE TO ASSIST IN :

- Reducing the health burden from radon in Europe.
- Increasing public awareness of radon.
- The development of quality standards in indoor radon metrology ,remediation , prevention and control technologies.
- The provision of a communication network for radon professionals.
- To serve as a consultative body to national and international agencies in all matters relating to the reduction of risk from radon exposure.
- The organisation of radon conferences/workshops and to contribute to education and training in the radon field.
