

CARST2024  
April 24-28, 2024  
**Exhibitor Package**

# Welcome

We are excited to have you as an exhibitor at our **CARST 2024 Conference** in Moncton, NB at the Delta Hotel from April 24-28, 2024.

**CARST's mission** is to be the authoritative voice on radon information in Canada and we bring together individuals and organizations who recognize the need and are driven to help Canadians with reducing their radon exposure and preventing lung cancer from radon. We provide a place where Canadians can find help in understanding and reducing their risk from radon, and we provide our members with access to radon relevant resources, opportunities to learn more about radon research and standards and connect with other stakeholders to promote collaborative opportunities to work together on initiatives that will increase radon awareness and improve standards across the country.

We strive to give you great opportunities to connect with radon industry participants from across the country.

If you haven't been to a radon conference before, this is your year: radon awareness is growing in Canada like never before! Now is the time to join us and catch up on what you have been missing.

If you have been to past conferences – we'll still have the same great positive, upbeat atmosphere, and of course... great food! We value you and want to make sure that you leave feeling glad you came.

## **Need help? Contact us:**

Pam: [info@carst.ca](mailto:info@carst.ca)

ph: 204-798-9649

Erin: [e\\_curry@carst.ca](mailto:e_curry@carst.ca)

ph: 514-977-7557

This year's conference in Moncton will be a bilingual conference. We will have options for translation. We encourage you to have materials available for both English and French participants.

**This Exhibitor Package** is intended to give you pertinent information that will help you stay informed and maximize your ability to engage with registrants at the conference. Please read each section thoroughly and feel free to contact us should you have any questions at [p\\_warkentin@carst.ca](mailto:p_warkentin@carst.ca)

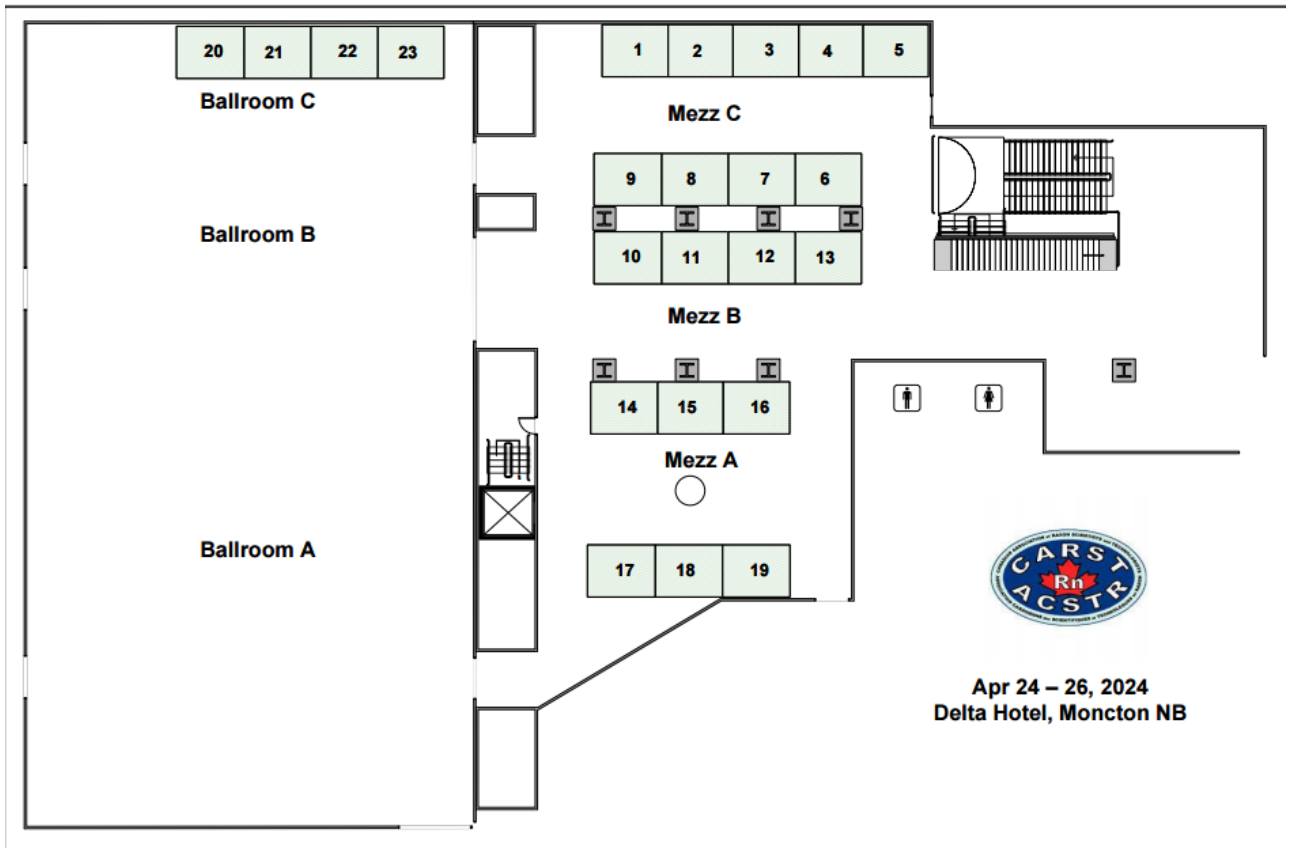

**Passport Draw:** We will be using a passport again this year to encourage all the conference registrants to visit your booth to have a chance to enter the passport draw. The deadline for registrants to collect signatures is the end of lunch break on Friday, April 26, with prize draws taking place in the main session room directly after the break before take down. If you have an item to the list of prizes, let us know.

**Draw for Prizes for Exhibitors:** The best way to gather information on interested potential customers is to ask them for it yourself. A great way to do that is by holding a draw at your booth.

If you are planning to have a draw at your booth, we will do that draw as a group at the same time we do the Passport Draw. This will be after the noon break on Friday, April 26 before take down.

As usual, at CARST we love to go the extra mile for our radon family. We think you will find joining us this year a great experience. We have located the Exhibit Hall to ensure that you will have good traffic, and we will include a participant engagement prize and more to make sure you make the most of your opportunity to connect with this year's attendees.

Please note that booths 20 through 23 are located at the back of the main session room. If you choose one of these booth locations, you will not be able to make any noise (hold conversations with potential clients, make phone calls, etc.) during the session times.

# Booth Information

## MOVE IN

Wednesday, April 24: Starts at 2p.m.

Set up should be done by 6pm in time for the Conference Kick off - Meet and Greet.

We have invited guests to join us for the Meet and Greet. This will include building officials and MLAs (local political representatives). This is a great opportunity to show all guests what great resources are available in the radon industry.

## BOOTH SECURITY

Please note that booths 1 through 19 will not be behind locked doors at night. This is a low-traffic area, but no valuables should be left at the booth overnight. You will have the option to move any valuable items that you can't easily take with you into the main session room to be locked up for the night.

## BOOTH LOCATIONS

Please note that booths 20 through 23 are located at the back of the main session room. If you choose one of these booth locations, you will not be able to make any noise (hold conversations with potential clients, make phone calls, etc.) during the session times.

## TEARDOWN

After the noon break on Friday, April 26.

We will do the Passport and any Exhibitor Draws at the end of this break.

## SHOW HOURS

Wednesday, April 24 6 pm to 8 pm

Thursday, April 25 7:30 am to 5 pm

Friday, April 26 7:30 am to 1:30 pm

# Conference Schedule

**April 24 evening** - Conference kick off - Meet and Greet

**April 25 and 26** – 7:30am Breakfast

- Breaks, lunch times TBA

- 8:30am-5pm Conference presentations

**April 25** - 6-9pm Dinner Out for all conference attendees

Exhibitor move out:

After the lunch break Friday, April 26

**April 27** - 8:30am-5 pm Continuing Education Courses

**April 28** - 8:30am-4 pm Hands on practical field trip

**Meal Times:** We will have food served in the Exhibit Hall during the meal and break times. We always ensure there is enough food for our exhibitors and request that the food stays out a bit after break to ensure you have time to grab some, please let us know if you need support with this.

**Dietary Restrictions:** We always try to accommodate dietary restrictions. Please let us know ahead of time, but we will also make sure that you have access to the right information to access food during the event.

Please email Erin if you have any questions: [e\\_curry@carst.ca](mailto:e_curry@carst.ca)

**Presentation Session:** Please note that you are welcome to join in any of the presentations on Thursday and Friday. Saturday and Sunday Courses/Field trip are an additional fee.
