

Reduce Radon for your KIDS' sake

The Canadian Partnership for Children's Health and Environment (CPCHE) is pleased to offer **outreach materials on radon and the importance of testing.**

These plain language resources are ideal for distribution at workplaces, child care centres, tenant and housing organizations, and to anyone concerned about their children's health.

FOR MORE INFORMATION VISIT:

www.reduce-radon.ca

Home Safety for Your Kids' Sake. A three-point home-safety checklist that encourages families to “check it today”: smoke detector, carbon monoxide detector and radon test.

___ English ___ French pad of 25 mini-posters @ \$6 each = \$ _____
 ___ English ___ French full-size poster @ \$4 each = \$ _____
 ___ Arabic ___ Chinese ___ Punjabi ___ Spanish ___ Tagalog
 8.5 x 11” poster set of 5 @ \$4 each = \$ _____

Reduce Radon. A simple tip card that describes what radon is, where it comes from and what you can do to protect children from this important lung cancer risk. Printed on durable card stock, this resource makes a great handout.

___ English ___ French set of 20 @ \$5 each = \$ _____

Radon Testing for Your Kid's Sake. A free online fillable PDF mini poster for child care facilities to inform client families of radon testing at their centres.

CPCHE also provides free sample letter templates that child care centres can use to inform client families about radon test results. Available at www.reduceradon.ca

Renovate Right. A practical brochure that describes ways to make sure a home repair or energy upgrade is child healthy. It includes radon testing advice.
